Hi Lynne,

Brian's comments were very minor, and I concurred with Eric to begin routing the package through Greg.

We should discuss the RTC about removing the construction offsets after we hear more from HQ. Thanks.

Not really. Brian (OGC) had a few minor wordsmithing comments, but nothing substantial. OAQPS did not have any major concerns either. I saved a version of tracked changes (attached) before the cleanup if you want to see it.

Were there any changes from HQ? I asked Pat to let me know. I assume the answer is no but I wanted to check before it came to me. Thanks.

Greg,

Here is the routing package for South Fork Wind, LLC's final OCS air permit. Please review and edit as needed. Once you concur on the routing slip, please forward to the next reviewer. After Lynne concurs, I will send pdf versions to Beth Alafat & Deb for signature on Tuesday. Let me know if you have any questions. Thanks, Eric
